MEMORANDUM FOR THE DIRECTOR

1. This memorandum is for information only.
2. On "Capitol Cloakroom" over CBS radio Saturday evening (21 November 1959) Representative Wayne L. Hays was asked by George Herman how the Soviet Union compared to the United States militarily now as compared to four years ago. Hays said that in conventional armament and size of conventional forces, he believed there had been no important changes. In the field of nuclear munitions, he doesn't know because "our intelligence gives us such conflicting reports."
